Dear Mr Shama Rao

In connection with the G O regarding the travelling allowance for attending Senate Meetings of officers of the Mysore Service who are Fellows of the University I beg you will be so good as to recommend further that membership of (a) Select Committees of the Senate and (b) Boards of Studies may be accorded the same privilege I may say that most of the real work whether in respect of general lines of policy or the described settlement of courses of studies etc is transacted at these quiet meetings, which make very little public flourish of their proceedings

The University pays at the same rate as for Senate meetings which is acknowledged by all to be hardly sufficient for our legitimate expenses and attendance at these meetings has no lucrative value like that at Boards of Examiners I think therefore that it would be well if a generous and definite rule is passed so as to enable Mysore officers to take without undue difficulty a more frequent and intimate part in the administration of the University affairs

With best regards

Yours sincerely
(Sd) C P Reddy
